

Therese welcomes you in summertime in 'la ferme du Sciozier', a summer farm family-owned since generations that faces the Mont Blanc.

Whether you bring your friends, your kids or come for a romantic dinner, you have the assurance to combine pleasure from the local cuisine with the feeling to be in a very special place.

We are at your disposal to organize any type of event, including weddings, family gatherings, parties, New Year 's Day, executive meetings and other corporate events, etc.

Our restaurant may also be booked at any times of the year on request.
